

2002 mdx power seat control system

See pages for important safety information and warnings about how to properly position seats and seat-backs. Your Acura has power adjustments for the driver's seat. The two power seat ...

I installed an Eclipse 7002 in my MDX and had to take the passenger seat out to mount the brain. There are 2 covers, one in front of the seat and one in back of the seat that need to be removed. They just pop on. Just be careful and take your time working them off. After these come off, there are 4 bolts holding the seat to the seat bracket.
