

American solar energy society annual conference

Solar Advocacy in Action: A Pre-Conference Visit to the Capitol Hill. Date & Time: Monday, May 20, 2023, 10am to 3pm. Description: Be part of the change you wish to see! Attend this pre-conference excursion to the Capitol Hill and gain hands-on experience in solar policy advocacy.

Participants in the National Solar Conference represent a broad base of solar and renewable energy professionals and thought leaders-researchers, architects, engineers, entrepreneurs, installers, manufacturers, businesses, economists, financiers, and policymakers.

Justice Equity Diversity & Inclusion (JEDI) Scholarships provide each recipient with a complimentary registration to our annual conference. This was founded in 2021 on the goal of increasing opportunities for building a diverse and equitable community.

Our 54th Annual National Solar Conference, SOLAR 2025, will take place on August 4-6, 2025, in-person in Boulder, CO. For sponsorship and advertisement opportunities, please contact Tom Freeman at tfreeman@ases. Submit an extended ...

Conference registration includes a one-year Professional or Student ASES Membership (new/renewal), access to conference proceedings, all lunches, and the Opening Reception. Banquets, workshops, and tours are purchased separately.

Our members receive complimentary copies of the award-winning, quarterly Solar Today magazine, access to the Clean Energy Credit Union and others, access to the ASES Online Community, and discounted access to events such as the annual National Solar Conference.

SOLAR 2025 will promote ASES' overall goal to "accelerate equitable solar adoption and universal sustainable living by educating and building community." The conference will focus on research models, examples, and tools for negotiating the challenges to advancing renewables by following justice, equity, diversity, and inclusion (JEDI) ...
