Background. Announced in 2022, the Government's Driving the Nation Fund provides \$500 million to invest in cheaper and cleaner transport. This funding builds on the former "Future Fuels Fund" (established in 2020), targeting support for business fleets, new technologies for heavy and long-distance vehicles, public charging and hydrogen refuelling stations and smart charging.

The mandate of the Australian Renewable Energy Agency (ARENA) has been expanded under new regulations introduced by the Australian Government. The Australian Renewable Energy Agency Amendment (Powering Australia) Regulations 2022 will allow the agency to support energy efficiency and electrification technologies.

energy.gov is a Department of Climate Change, Energy, the Environment and Water website. Acknowledgement of Country We acknowledge the Traditional Owners of Country throughout Australia and recognise their continuing connection to land, waters and culture.

Alex Campbell tells us why long duration energy storage is an important foundation to Australia's clean energy transition. About ARENA We support the global transition to net zero emissions by accelerating the pace of pre-commercial innovation, to the benefit of Australian consumers, businesses and workers.

The Australian Renewable Energy Agency (ARENA) today welcomes the announcement by the Minister for Climate Change and Energy, the Hon Chris Bowen MP, of the reappointment of Darren Miller as ARENA CEO for a further 3 years. ... ARENA is Australia's renewable energy innovation agency and since its establishment in 2012 by the Australian ...

The Australian Renewable Energy Agency (ARENA) is providing up to \$15 million to the Australian Energy Market Operator (AEMO) to accelerate the delivery of AEMO's Engineering Roadmap to advance operational capacity for renewable generation in the National Electricity Market (NEM). ARENA funding will enable work on: ... media@arena.gov ...

The Australian Government today announced new long term funding and an expanded focus for the Australian Renewable Energy Agency that will secure its future beyond 2022. The Prime Minister and Minister for Energy and Emissions Reduction today announced a total funding package of \$1.62 billion for ARENA including guaranteed baseline funding of ...
