"The Asteroid" belongs to the Desktop Industrial Power Supplies family (DTXXXXA series). Featuring a Universal Input Voltage of 100-240Vac and an efficiency rating of Level VI, "The Asteroid" stands up to the challenge. Available in power ratings of 18W, 24W, 35W (dual output), 36W, 50W, 65W, 90W, 120W, 160W, 200W, 250, and 300W. Featuring IEC62368-1 safety as ...

Autec Power Systems expects our suppliers to:Source materials from DRC conflict-free resourcesComply with the Dodd-Frank Wall Street Reform and Consumer Protection Act and provide the "Conflict Mineral Reporting Template" and all necessary declarationsEstablish their own due-diligence program to ensure conflict-free supply chains.

At Autec Power System, we understand the critical role that batteries and power supplies play in your daily operations. Whether you need a backup power source for your home or a specialized solution for your business, we have you covered. Battery and Power Supply Company.

The Cage (SPL Series) is an Enclosed Industrial Power Supply Unit with an input voltage of 90-264Vac and an output current of 420mA-42000mA. The unit is available in power ratings of 15W, 25W, 35W, 50W, 75W, 100W, 150W, 200W, 240W, 320W, 480W, 600W, and 800W. Features available include ZVS Technology, built-in cooling fan speed control, built-in ...

Autec Power Inc. stands as a premier power supply, battery, fans, motors, ev solutions, and solar panels as well as many custom designs in Frisco, Texas, with a commitment to excellence that drives us to deliver superior products and ...

Autec's versatile "Nightingale" series is a set of medical power supplies offered in several form factors. Featuring an open-frame case design, this industrial-grade unit accepts universal input voltage of 90-264Vac and handles output currents of 1360mA-50000mA. The Nightingale is available in power ratings of 12W 24W, 65W, 120W, 150W, 210W, 305W, 600W, and 612W.

YOUR POWER SUPPLY AND BATTERY MANUFACTURER IN FRISCO Since November 2020 Autec

## Autec power systems company

Texas has worked closely with Autec Power Inc. ("Autec California") to provide the best service and quality in the power supply industry. As Autec California, was aware, our relationship with Autec California has ended on or about July 2023 due to unattainable circumstances. We ...

The Diamond (LSDCMPPT / LSDCDMPPT Series) is a Constant Current High-Efficiency LED Driver. Featuring 10Vdc-40Vdc Input Voltage and Output Range of 0mA-4000mA, the Diamond is available in Power Ratings of 50W, 100W, and 200W. Optional features include 12V or 24V battery charging with auto detection and smart charge, solar powered, programmable ...

Who is Autec Power Systems. Autec Power Systems designs and produces innovative power supply product solutions. As an American company founded in 1989, OEM hardware design engineers have come to rely on Autec Power Systems for efficient and reliable standard, modified, and custom power supply solutions.
