

BL-2s brushless power system

The BL-2s(TM) brushless power system delivers more speed, faster acceleration, and virtually maintenance-free operation at an affordable price. Drivers experience smooth, effortless power with added punch for tire-shredding burnouts and blazing fast speed. Optimized for 7-cell NiMH and 2s LiPo batteries, the BL-2s delivers all-day fun, battery ...

Traxxas | BL-2s Brushless Power System The all-new BL-2s(TM) brushless power system delivers more speed, faster acceleration, and virtually maintenance-free operation at an affordable price. They won't be long before you can buy them at rcMart! Let us introduce more details for you first! Clipless Body Mounting, Extreme HD Suspension and Driveline

Rustler 4X4's BL-2s brushless power system ramps up the fun with up to 60% more speed and faster acceleration than comparable brushed power systems. Improved efficiency, high-speed ball bearings, and an internal cooling fan allow Rustler 4X4 to run battery after battery for all-day fun.

Slash 4X4's BL-2s brushless power system ramps up the fun with up to 60% more speed and faster acceleration than comparable brushed power systems. Improved efficiency, high-speed ball bearings, and an internal cooling fan allow Slash 4X4 to run battery after battery for all-day fun. With no brushes to wear out, the BL-2s 3300 kV is long ...

Traxxas BL-2S Brushless Power System Combo . Write the first review. Part#: TRA3382. Traxxas. Traxxas ESC - Speed Control | Radio Control | Hobbywing Traxxas Arrma. In Stock Online. Estimated ship date: Tomorrow ... The brushless BL-2s 3300 kV motor operates sensorlessly, offering the expected speed and torque of brushless technology without ...

Traxxas, a frontrunner in the RC car industry, has just unveiled their latest game-changer: the BL-2s(TM) Brushless Power System. This innovative power system promises not only enhanced speed and acceleration but also ...

Bigger and Stronger than Ever! Stampede ® 4X4 is bigger and stronger than ever with a new clipless body, extended chassis, and huge 5.3? Sledgehammer ® tires for an aggressive monster truck stance. Stampede's all-new BL-2s (TM) brushless power system delivers effortless power for all-day fun with an added boost of torque for terrain-shredding burnouts and powerful ...

The BL-2s(TM) brushless power system ramps up the fun with up to 60% more speed and faster acceleration than comparable brushed power systems. Improved efficiency, high-speed ball bearings, and an internal cooling fan allow Jato 4X4 to run battery after battery for all-day fun. With no brushes to wear out, the BL-2s 3300 Kv is long-lasting and ...

The BL-2s (TM) brushless power system delivers more speed, faster acceleration, and virtually

BL-2s brushless power system

maintenance-free operation at an affordable price. Drivers experience smooth, effortless power with added punch for tire-shredding burnouts and blazing fast speed. Optimized for 7-cell NiMH and 2s LiPo batteries, the BL-2s delivers all-day fun, battery after battery.

Slash's BL-2s brushless power system is an absolute game-changer with 15% more speed, quicker acceleration, and a more responsive throttle. Improved efficiency, high-speed ball bearings, and an internal cooling fan allow Slash to run battery after battery for all-day race sessions. With no brushes to wear out, the BL-2s 3300 Kv motor can last the entire racing ...

About the Rustler BL-2s HD BL-2s Brushless Power System The Rustler features a waterproof BL-2s brushless power system that delivers more torque, faster acceleration, and less maintenance than traditional brushed systems. This advanced power system allows the Rustler to reach speeds of over 40 MPH, providing thrilling, full-throttle fun.

The BL-2s(TM) brushless power system delivers more speed, faster acceleration, and virtually maintenance-free operation at an affordable price. Drivers experience smooth, effortless power with added punch for tire-shredding ...

The Stampede's waterproof BL-2s brushless power system offers more torque, faster acceleration, and less maintenance than traditional brushed systems. This advanced system ensures efficient power delivery and refined control, making it ideal for both novice and experienced drivers. Traxxas integrates safety and convenience, providing a robust ...

The key to the Velineon's brushless power system's extreme power output is total system optimization. The Velineon VXL-3s (TM) electronic speed control and 3500 Kv brushless motor are carefully engineered to work seamlessly together for maximum power flow. High-frequency transistors and advanced circuit design delivers incredibly smooth and refined throttle control ...

With its new BL-2s (TM) brushless power system, Stampede rips through grass and powers over curbs with a top speed of 40+ mph. Thanks to new factory-installed Extreme Heavy Duty ...

This is exciting news from Traxxas. Introducing the Traxxas BL-2s Brushless Power System which is available now in a new lineup of 4x4 models that includes the return of a powerful new Stampede 4x4. Factory installed ...

The Slash Modified dirt oval racer is engineered to deliver competition-tuned track performance right out of the box. Slash's already legendary durability has been enhanced with new Extreme Heavy Duty suspension components and performance upgrades such as aluminum GTR shocks, Magnum 272R(TM) transmission, tough clipless body, and the fast and reliable BL-2s(TM) ...

Slash's BL-2s(TM) brushless power system delivers effortless power for all-day fun with a more responsive throttle and powerful acceleration. New Extreme Heavy Duty Upgrade parts allow Slash to take brutal punishment in stride. Slash's fully adjustable track-ready suspension delivers most authentic short course racing experience possible.

MODEL 37354-4: Rustler ® BL-2s (TM): 1/10 2WD brushless stadium truck, fully-assembled, waterproof electronics: Ready-To-Race ®, with TQ (TM) 2.4 GHz 2-channel radio system, BL-2s (TM) brushless power system, and clipless painted body. Requires: battery and charger.

Rally's new BL-2s brushless power system gets you to the finish line first with more speed, quicker acceleration, and a more responsive throttle. Improved efficiency, high-speed ball bearings, and an internal cooling fan allow Fiesta ST Rally to run battery after battery for all day fun. With no brushes to wear out, the BL-2s 3300 kV motor is ...

The BL-2s brushless power system delivers more speed, faster acceleration, and virtually maintenance-free operation at an affordable price. Drivers experience smooth, effortless power with added punch for tire-shredding burnouts and ...

The BL-2s brushless power system delivers more speed, faster acceleration, and virtually maintenance-free operation at an affordable price. Drivers experience smooth, effortless power with added punch for tire-shredding burnouts and blazing fast speed. Optimised for 7-cell NiMH and 2s LiPo batteries, the BL-2s delivers all-day fun, battery ...
