The Solo 5's sound quality and performance stand out in certain aspects, especially for a soundbar without a separate subwoofer unit. It is designed to enhance the audio experience for TV shows and movies while also providing an easy-to-use interface for users. The soundbar offers decent audio clarity, particularly with its dialogue mode feature.

In a soundbar, the numbers 2.1 or 5.1 indicate the number of channels it has. A 2.1 soundbar consists of two channels (left and right), a 5.1 has five channels (left, right, centre, left surround, and right surround) and one subwoofer. With a higher number of channels, the sound experience becomes more immersive.
