The Queen bed (full disclosure: NOT the mattress that came with the camper) Speaking of beds, with the Coleman Lantern LT 17B travel trailer, you'll get a big queen bed. It's plenty big. Like it literally takes up a third of your camper space, which we were totally fine with because we wanted a big comfortable bed.

Hey John, your Coleman likely has been pre-wired with a Furrion inlet like # FSPINS-BS in which you can use the Go Power Overlander Solar Charging System with Digital Solar Controller # 34282181 which would utilize the pre-wire port and get mounted to the roof. This kit includes the solar panel, the controller, MC4 cables, and installation hardware.

...Features: Replaces the monitor for your Furrion Vision S wireless RV camera system Works with 732556 (FOS05TASF) and FCE48TASL-05 Mount and power cord are sold separately Specs: Monitor dimensions...

Most of the newer Coleman Lantern 202rd are pre-wired for solar panel with an XLR-style Furrion inlet port that looks like part # FSPINS-BS. I recommend to use the Go Power 130 Watt Portable Solar System with Digital Solar Controller part # 34282730 that comes with the XLR adapter to plug into the inlet. This is a portable suitcase style solar panel that will provide you with 6.7 ...

I'm wondering if anyone on the forum might have diagrams (probably not) or at least pictures of solar or other aftermarket roof installs on a Coleman Lantern 17B/R. I have a 2023 17B and I'm trying to do a solar/starlink mount on my roof. Tried the stud finder and the "thump" method and I can't find anything definitively.
