The Dynamic Power Redistributor Module is one of the best consoles in the game, and is easily superior to literally every other console you've listed as using on your ship, point blank. The SRF is pointless, doubly so if you're lucky enough to have the Samsar console to use in its place.

RE: [Console Pack - Dynamic Power Redistributor Module / Secondary Shield Projector (Klingon)] Hi, I've been confused regarding the dynamic power redistributor console that was supposed to have been released

Console universal dynamic power redistributor module system itemassignment

with the undiscovered lockbox. For the life of me, I haven't been able to find the Klingon version on the exchange.

Console - Universal - Dynamic Power Redistributor Module can be obtained by the players of all four factions. - Atlas Prototype Dreadnought Cruiser (Undiscovered Lock Box, FED Tier 6) ...

Which was from getting and opening the [Console Pack - Dynamic Power Redistributor Module / Secondary Shield Projector (Klingon)] and picking it.. That Console pack is still a way for KDF players to get that console though without having to get the TOS Atlas Prototype Dreadnought like Federation players do..

Console - Universal - Dynamic Power Redistributor Module: Dynamic Power Redistributor (All damage) Console - Universal - (Enhanced) Dominion Coordination Protocol: Fleet Maneuver Gamma; Miscellaneous. Ambush (De-cloak Bonus) Against All Odds (Inspiration Ability) Battery - Energy Amplifier (Device; Directed Energy) Critical Severity

The unique item here that differs from probably any other RRtW build is the very unique non-set, non-crafted core.. This is only obtainable through random drops in the world; this is due to crafted plasma singularity cores only having the [Wave] mod. As such to get the Overload mod you need to find one that's randomly generated by the loot system. The whole point here is to try and get ...

The Atlas- class Dreadnought Cruiser comes equipped with a Dynamic Power Redistributor Module Universal Console. Starships equipped with this console are capable of greatly strengthening their Structural Integrity Field for a short time, thus providing a large increase to hull regeneration rate and damage resistance rating.

Dynamic Power Redistributor Module - Comes from a Lockbox ship. If you are KDF/Rom, you might still be able to acquire just the console without the ship, though I know not the going price these days with its very limited supply. Disruption Pulse Emitter - Comes from a Lockbox ship. If you are Fed/Rom, you might still be able to acquire just the ...

Consoles - Lorca's Custom Fire Controls (Discovery Rep), Altamid Modified Swarm Processor (Lobi Store), Reinforced Armaments (Mission - Beyond the Nexus), DOMINO (Epic Starter Pack - Bajoran Interceptor), Immolating Phaser Lance (Deimos Pilot Destroyer - Lockbox/Exchange), Dynamic Power Redistributor Module (Atlas Prototype ...

Console universal dynamic power redistributor module system itemassignme

[Console - Universal - Immolating Phaser Lance] To upkeep Universal Designs, and also does decent DPS itself despite the lack of +Phaser boosts. 1x Lockbox ship 125.00 [Console - Universal - Dynamic Power Redistributor Module] Primarily used as an oh-shit button when RSP is on cooldown.
