Built-in 3 Way System Subwoofers; 3.5mm to Dual RCA Cables and Remote Included

Lets jump right in with the bass. Kicks, toms, and most anything that has a punchy sound is delivered through this system flawlessly. The only thing it lacks it the ability to amplify and feel subbass "the bass that is used in songs for a bassline, or the 808"s you would normally hear in mainstream rap and EDM"; it is almost invisible.
