

Furrion rv backup camera power adapter

Yes! The adapter you need is the 7-Way Vehicle Power Adapter w/ Power Switch for Furrion RV Observation Camera # FR87PR. This adapter was recently manufactured to work with your Furrion system like the # FCE48TASL-05 with your 2021 Silverado. The adapter works with your current 7-way in order to make the Furrion system function properly.

Most only have the Furrion camera prep. No camera and no monitor. A few brands include the camera but no monitor. And even fewer brands include camera and monitor. Also the camera works off the trailer's running lights. So you need to have power to them to check which is the hot wire. _____
