

Garden solar power supply

We started selling solar powered garden lights back in 2020. Over the past 3 years, we have heard from our customers that they need other products to upgrade their garden so we created the 2-in-1 garden kneeler, 4-inch electric chainsaw and the retractable hose reel. Even though we are now selling other home and garden products, the name stuck.

Shed Solar Kits are a practical and eco-conscious way to power your outdoor storage spaces and sheds. Featuring top-quality components from trusted brands like Victron Energy for solar panels, MPPT charge controllers, and inverters, as well as X-Pro and Q-batteries for reliable energy storage, these kits offer a comprehensive solution for your energy needs.
