We've seen some HART batteries available on Amazon, but there aren't any authorized sellers there. Amazon is notorious for allowing knock-off batteries on its website and sometimes it's hard to tell if you're getting a genuine battery or a knock-off. Our advice is to play it safe and stick with purchasing from Walmart.

Frequently bought together, HART 40V 6.0Ah Lithium-Ion Battery (Charger Not Included) HART 40 Volt 300 Watt Battery Powered Power Source with LED Light and Carry Handle (Tool Only - Battery & Charger Sold Separately), \$97.94, rated 4.3 of out 5 stars from 54 reviews
