

Jacob and co solar system watch price

With the Astronomia Solar, Jacob & Co. wanted to create a model of our solar system in a watch. So in the middle of the dial is a large 1.5 carat Citrine crystal in a Jacob Cut that represents the sun. Jacob & Co. also uses three other stones in amethyst, garnet, and smoked quartz to represent other planets.

The watches in the Astronomia series combine a triple-axis tourbillon with a miniature diorama of our solar system. The Twin Turbo models take their inspiration from classic sports cars and boast two ...

For visual appeal and as a statement piece, the Astronomia Solar watch has few equals. On the wrist, the watch screams "Look at me!" And certainly, the watch offers a lot to look at and admire. Admittedly, it is a little over-the-top and purists will argue that the watch doesn't have any real practical use.

The Astronomia is the epitome of 21st century haute horlogerie and a globally recognized symbol of Jacob & Co watchmaking expertise. A world-first both in the boldness of its unprecedented concept and its entirely mechanical construction, the Astronomia has gone beyond impressive horological achievements and has been regarded as an outstanding multidisciplinary ...

Jacob and co solar system watch price

Watches from the Epic X and Epic SF24 collections fall in the middle of the Jacob & Co. price range. Skeletonized three-hand models from the former series change hands for upwards of 14,000 USD, while Epic X chronographs cost anywhere from 24,500 to 38,000 USD.
