

Les com

LES collaborated with several local agencies to provide energy efficiency upgrades for 13 income-qualifying households. LES provided \$74,000 in funding, which was combined with about \$113,000 of state weatherization funds, to replace aged and inefficient equipment.

LES is a public power utility, meaning we are not for profit and locally owned and governed. Being community-owned means that YOU -- our customers -- own us and community members serve on our Board to make policy decisions and provide direction that makes us successful. Customers have the opportunity to provide input through public meetings and Board meetings.

Solar power is an exciting part of the world's energy future, allowing people to harness the abundant power of the sun wherever it shines. The concept is simple: convert the sun's heat or light energy into other forms we can use and transmit.
