

Liuan xinyi renewable energy limited

(Hong Kong, 28 February 2024) -- Xinyi Solar Holdings Limited (the "Company", together with its subsidiaries, "Xinyi Solar" or the "Group"; Stock Code: 00968), the world's largest solar glass manufacturer, today announced its annual results for the year ended 31 December 2023.

The cost to develop and use renewable energy is much higher than that of conventional energy. However, financial support for renewable energy is rather limited, whereas that for fossil fuels is overexploited [26]. The additional fund for renewable energy was supposed to reach 80 billion Yuan in 2016, basically consistent with the amount of subsidy.

Renewable Energy Asia China Southeast Asia ...
