No engine means no noise, no fumes, and no maintenance. Keep the essentials powered up through blackouts - the 269-Watt-hour lithium-ion battery can recharge smartphones up to 14-times, laptops up to 6 times, or tablets up to 7 ...

The Massimo battery displays that it will run my medium size fridge (sorry no specs) for 10h, a heat gun (750W) for 1h, and most impressive I used it to power my electric corded (12A) B& D MM875-style mulching lawn mower for 30min (while mowing grass) with & gt;80% battery power to spare afterwards - I know this is pushing its limits.

Massimo 300w 12v portable lithium battery power station

I used the Massimo Portable Solar Panel to charge up my new Massimo 300W 12V Portable Lithium Battery Power Station, while camping and it performed great. The Solar Panel charged up the Power Station from about 35% to 97% in only a few hours. Everything worked as expected in the instructions, as well or better than hoped for.
