

National renewable energy laboratory golden co

NREL's newest building, the Research and Innovation Laboratory (RAIL), which will house multipurpose lab space, is the first laboratory building to open at NREL's Golden, Colorado, campus since the fall of 2013.

NOTICE This work was authored by the National Renewable Energy Laboratory, operated by Alliance for Sustainable Energy, LLC, for the U.S. Department of Energy (DOE) under Contract No. DE-AC36-08GO28308.

NREL's 327-acre campus in Golden, Colorado, houses many research laboratories and the lab's administrative office. With a commitment to sustainable operations, the main campus boasts several LEED-platinum rated buildings, along with multiple on-site renewable energy installations. ... The National Renewable Energy Laboratory is a national ...

The National Renewable Energy Laboratory's Solar Energy Research Facility in Golden, Colorado, uses a stair-step configuration to allow daylight and heat into the office areas, while the laboratories in the back of the building are in a more controlled environment where tight levels of ventilation, humidity, temperature, and light are critical.

Golden, CO: National Renewable Energy Laboratory. NREL/TP-6A20-72102. ... This work was authored in part by the National Renewable Energy Laboratory, operated by Alliance for Sustainable Energy, LLC, for the U.S. Department of Energy (DOE) under Contract No. DE-AC36-08GO28308. Funding

The National Renewable Energy Laboratory's Thermal Test Facility in Golden, Colorado, was designed using a whole-building approach--looking at the way the building's systems worked together most efficiently. Researchers monitor the performance of the 11,000-square-foot building, which boasts an energy cost savings of 63% for heating, cooling ...

The \$135 million Energy Systems Integration Facility (ESIF) at the Department of Energy's National Renewable Energy Laboratory (NREL) campus in Golden, Colorado is a model in sustainable design ...

The National Renewable Energy Laboratory studies the benefits of renewable energy to both the environment and the economy. The National Renewable Energy Lab offers group tours and ...

A description of the Golden Field Office within the Office of Energy Efficiency and Renewable Energy. Skip to main content Enter the terms you wish to search for. ... (R& D) partnerships to support those technologies, and overseeing the National Renewable Energy Laboratory (NREL), ... Golden, Colorado 80401 Main Number: 240-562-1800.
