

Photovoltaic service

No matter who installed your solar PV system, or what model it is - Freedom Solar can maintain, repair and upgrade any system for maximum energy production and efficiency: All Solar Equipment Makes and Models. Complete ...

Even accredited solar PV qualifications like the Solar Photovoltaic Service Technician (SAQA ID 99447), has neither been implemented nor been assessed yet (August-2019). The transition of accreditation from the SETAs over to QCTO has also delayed this whole process, hence why the PV GreenCard is an available alternative.

Compare the Best Solar Companies.
