The journal, Renewable Energy, seeks to promote and disseminate knowledge on the various topics and technologies of renewable energy systems and components. The journal aims to serve researchers, engineers, economists, manufacturers, NGOs, associations and societies to help them keep abreast of new developments in their specialist fields and to apply alternative ...

What Happens When You Don't Renew Your Energy Contract. Nothing ever good comes from forgetting to renew your electric contract. Most retail energy suppliers' electric contracts have language that allows them to bill an uncapped, variable rate after a fixed-rate contract end date. In almost all cases historically, these variable rates can ...
