

Solar cell for sale

Shop a selection of flexible, rigid, diy, solar cells and solar panels for your home project or new invention. We started in 1999 by providing solar cells and kits to students wanting to learn more about renewable energy.

Manufacturer of solar panels, cells, kits, and travel solar electric products. We provide commercial solar sign & flood lighting systems along with a large selection of landscape lights.

Our wholesale solar panels are available in 2kw, 4kw, 10kw, 25kw and 50kw grid tie solar panel bundles...making them perfect for one large, or several smaller grid tie solar system installations. For all wholesale pricing offers, please contact us updated pricing and freight quotations.

Get A Complete Solar System With \$0 Down Today! With Silicon Solar Flex-Pay Financing, you can reduce your electric bill every month with a TruPower grid tie or off grid home solar system. Shop our complete grid tie kits here.

Silicon Solar carries a complete line of the industry's best, most efficient solar panels. We have solar panels for homes, commercial system solar panels, as well as complete lines of both small solar panels and large solar panels.

1-5 Watt Solar Modules. Our mid-range small solar panels (from 1w up to 5w) are available from 4.5v up to 15v - making them perfect for keeping your 3v, 6v and 12v battery systems charged using the power of the sun.

Whether you're building your own science project or a custom solar panel, our cells by the watt is a low cost way to dive into solar energy. Looking to buy in bulk? We offer solar cells in bulk as low as \$0.20 per watt.

Silicon Solar offers a selection of educational solar cell kits and accessories needed to build your own solar panels. Buy cracked solar cells at a lower cost or purchase new solar cells when you're ready for the next test. This item is sold by the pound (lb).
