Earth-Right Mid-Atlantic has done two installations. The first was to install a Solar System on our home in July 2019 and the second was to insulate attics with Earth-Shield. The Solar Panel has reduced my monthly bill to \$8.33 per month for the last year. The bill is for the Chesapeake Utility Tax. The system works flawlessly.

I spent around 20 hours researching different companies in my area: their reviews, their panels, their customer service, etc. Earth Right Mid-Atlantic was tied for my top pick of solar companies. Corey, one of the owners, sealed the deal when I discussed the different aspects in their proposal from their competitor.

Powering the Future is a continuation of Atlantic City Electric's efforts to modernize the local energy grid, improve service reliability for numerous customers, and support the growth of distributed energy resources like solar power.
