Allied Solar and Electric was that vendor, so I contacted them. Allied recommended that I still go ahead and call three of the other major solar installers in San Diego for site visits, quotes, and to learn about their proposals.

Whether you're trying to decrease your electric bills, carbon dioxide emissions or both, solar panels are a great investment for many El Cajon homeowners. For an idea of both how much you could save and impact the Earth by installing a solar panel system, you can play around with the calculator below.
