If you are considering Energy Solar Partners (ESP) for your solar install....think again! 1. The sales representative lied to us about our monthly solar cost and our monthly PGE bills. Our solar was supposed to cost \$80 a month...not \$116. We were told we would never have to pay more than \$10 a month PGE and a lot of times PGE would owe us money.

I had an exceptional experience with Solar Energy Partners. Davy and Christian provided outstanding customer service. They exceeded my expectations in everything they promised to do. I was thoroughly impressed and would highly recommend them. I wish giving them more than 5 stars was an option.
