

When Lorde announced her long-awaited third record, *Solar Power*, the accompanying album art sent the internet into a tizzy. The image depicts the New Zealand singer wearing a sunny yellow rash ...

Solar Power sparkles and glistens like the sun on a hot summer's day, an affect made all the more poignant by the relaxed, meandering, and shimmering sound world she's created. And what an incredible creative risk she's taken, which has sure paid off in my eyes.

Overview Background and recording Writing and production Music and lyrics Songs Release and promotion Critical reception Commercial performance *Solar Power* is the third studio album by New Zealand singer-songwriter Lorde. It was released on 20 August 2021, by Universal. Inspired by the death of her retriever cross dog Pearl and visit to Antarctica in 2019, the album was written with producer Jack Antonoff to capture solipsism and summer escapism, mainly focused on Lorde's leisure time in her homeland New Zealand, simultaneously expressing her disdain for fame and celebrity culture.

In Lorde's newest single, "Solar Power," the singer-songwriter explores the theme of embracing the transformative power of nature. The song's vibrant lyrics and catchy melody invite listeners to let go of their worries and immerse themselves in the joyous energy of the sun. As we delve into the standout lyrics, we discover a multitude of ...

Solar Power might well be seen as just that: an album to kick back with on a summer's day. But there is, as Lorde puts it, "deep and shallow" to this record. There are meditations on celebrity culture ("California") and the wellness industry ("Mood Ring"), alongside sorrow for the destruction of the natural world.

In a surprise move, GRAMMY Award-winning, multiplatinum artist LORDE released her new song "Solar Power," which appropriately dropped timed to the only solar eclipse of the year and came with the announcement of her highly anticipated 3rd studio album of ...
