Lorde's third album Solar Power was born out of an epiphany. "I was very much raised outdoors by the beach, in the ocean, outside," the Aotearoa New Zealand pop titan tells Apple Music. "But it wasn't until I got my dog that I understood how precious the natural world is and how many gifts there are for someone like me to receive.

The first, and probably most important, was the release date of Solar Power, which is set to grace streaming platforms on August 20th. Ensuring that anxiously awaiting listeners were not completely in the dark as to what the album ...

Solar Power might well be seen as just that: an album to kick back with on a summer's day. But there is, as Lorde puts it, "deep and shallow" to this record. There are meditations on celebrity culture ("California") and the wellness industry ("Mood Ring"), alongside sorrow for the destruction of the natural world.
