GSE focuses on the leading technology - evacuated tube-based solar thermal products for the North American market. Before Globe Solar was established in 2005, the founder of Globe Solar, Mr. Gordon Xiao, has spent 3 years to study the feasibility of introducing a new evacuated tube solar collector water heating system in Canada.

A planet globe can help bring the Solar System into your home. Our selection of mars globes and planetary MOVA globes is perfect for anyone who wants to learn more about our universe. You can see all the different planets and their moons in detail as these globes are rotating. They also make great decorations for any room in your house.
