The activities included in this printable work best with kids in preschool, kindergarten, and early elementary. Because all of the printables are print-and-go, they're great for busy homeschool moms and teachers like you!

We had so much fun with this one. We cut black construction paper in half and let the kids color white stars all over it. Then we glued it to the size of their heads and they cut out the planets and glued them in order around the hat with the sun in front. My kids wore them until the hats wore out. I had no idea they would be such a hit!
