Browse 640+ solar system white background stock illustrations and vector graphics available royalty-free, or search for planets or planet model to find more great stock images and vector art.

The white backsheet on a black solar panel appears as dozens of white diamond shapes between each solar cell. Traditional solar panels may not be as aesthetically pleasing as black panels, but if your roof faces south, your solar panel system won't be visible from the front of your home. You won't have to worry about what your installation looks like.
