

Solarnet lebanon

The Lebanese Army - ????? ??????? went green this winter! With the European Union in Lebanon's support we were able to install biomass briquette stoves at the #Lebanese army's North-Eastern border station, ensuring a sustainable solution to heat generation. The #LAF team was also trained on how to operate & maintain the stoves.

SOLARNET has been established in Beirut, LEBANON in June 2002. SOLARNET has the adequate expertise to study, manage, supervise, supply and install "Electromechanical, Energy & Environmental System" for building or industrial applications. With the collaboration of our highly qualified Engineers and Technicians SOLARNET aim to achieve any ...
