

# Solid wall panels for showers

Protect Your Bathroom With Solid surface Shower Walls. If you're looking to renovate your Solid surface shower, shower walls and surrounds are an easy-to-install option to give you an instant refresh. They're made of waterproof materials to ensure your Solid surface walls stay dry as the water moves down to your shower drain.

Corian® Solid Surface shower walls can be perfectly integrated to create the sleek impression of a single flowing surface that eliminates grout. With the use of a seamlessly streamlined material in every corner, there are no visible joints or cracks to collect dirt and moisture.

The Castico alcove shower wall set (60 in. L x 36 in. W x 84 in. H) is a 4-piece system that includes 2 back wall panels and 2 lateral wall panels, designed to fit a 60 in. l x 36 in. w x 84 in. H alcove shower. Made of a proprietary blend of minerals and resin bound together to create a solid surface that is strong, durable and light weight.

Discover the ultimate solution for your bathroom renovation with solid surface shower wall systems from SolidSurface . Engineered for durability, these showers offer unmatched resistance to stains, scratches, and mold, ensuring longevity and easy maintenance.

We'll cut your LuxStone shower walls during installation to ensure a precise fit in your shower space and bathroom, taking care to accommodate any existing windows, shelving units and more. Explore your shower wall options and select the one that best suits your style.

Good looking and easy to keep clean--that is the hallmark of solid surface shower and tub walls. Want a curved shower wall, thermoformed solid surface gives you that along with the easy upkeep of solid surface. Easily match your decor using multiple filters for the best selection by color, brand, size or price.

Shower wall panels combine elegance and durability that last a lifetime. Coordinates well with Swan vanities and bathtub. Easy-to-install panels are ideal for remodeling and new construction.
