

Solo exhaust systems

The Solo CGR-V6-MACH-XV Charger/300 SXT exhaust kit is a 2 1/4" mandrel bent, free flow stainless steel converter back exhaust. It incorporates an H-Pipe in the front section, our Mach-XV X-Design muffler in the mid-section and Solo tunable J-Pipes in the rear.

All of our Performance Exhaust systems are full stainless steel units. Even the welds, flanges, O2 bungs and hangers are stainless. ... V8 Pontiac G8, 3" Exhaust, Solo to Kook's Headers (2008-2009) Best Sellers. New. Reference: 991904-SL. 2014-2019 Dodge Ram 2500 6.4L Solo 4" Muffler Delete (991904-SL)

For one of the most innovative dual exhaust systems in the Ford F-150 business, look no further than the Solo Performance Mach 44 XV Dual Exhaust System - Side Exit. It features a 3-inch, mandrel-bent exhaust, which splints into 2.50-inch dual tailpipes with T304 stainless steel exhaust tips on opposite sides. "Sound On Demand".

The Solo Performance Mach X Dual Exhaust System with Resonator - Side Exit delivers a classic, aggressive sound. It is more refined overall than the solo MR400 single 4 inch exhaust, with less intrusive cold starts and a more aggressive sound for the more serious off-roader. It incorporates a complete, bolt-on installation.

Solo Exhaust Chevy Caprice PPV V8 (11-18) Mach or Mach Balanced Performance Catback. Regular price \$1,015.29 Sale price \$1,015.29 Sale ... These are "Sound on Demand" exhaust systems that produce the sound you want when accelerating or revving but become incredibly quiet at cruise speeds.

Loud and Aggressive. If you want to get rid of your Charger's meek exhaust sound, then equip it with this Solo Performance Street Race Cat-Back Exhaust. This exhaust system allows your car to deliver a very loud and deep aggressive rumble, thanks to its J-Pipe technology.

Solo's T601-3L and T601-3R exhaust tips are used on this kit. This deep performance tone of the MACH-X-V8-DUAL quiets down amazingly well on the highway. At cruise speeds, it's almost as quiet as the stock exhaust. Overall the Solo Dual exhaust is more refined and would be the exhaust kit that is wife/kid approved.

It has a wonderful mid range exhaust note and as one test driver said smiling "you just want to accelerate...Wow!" It uses Solo's 14" Mach Muffler and J-pipes, stainless steel polished muffler (inside and out) and polished stainless steel staggered dual ...

All of our Performance Exhaust systems are full stainless steel units. Even the welds, flanges, O2 bungs and hangers are stainless. At Solo Performance we know that the quality of the overall exhaust note is as important as the volume. We also understand that different customers desire different things in sound and aesthetics. That's why we try to give appropriate choices to our ...

Solo exhaust systems

This Solo Performance Turbo Back Exhaust System is manufactured from mandrel bent 3-inch stainless steel for improved resistance to wear and corrosion. The resonators are protected by a case made from stainless steel wool and ceramic fiber. Topping this assembly is a pair of 4.50-inch stainless steel tips that give your Ford Mustang a rugged ...

This exhaust system is designed as a direct bolt-on replacement for your factory exhaust. Using regular tools, you can conveniently mount it to your vehicle's existing points. Application. This Solo Performance Mach X Dual Exhaust System with Polished Tips and Side Exit location is engineered to fit 2011-2014 5.0L Ford F-150 models.

J-pipe and the pivotal mount: The length of the J-pipe could be adjusted by releasing the clamp and moving the capped end in/out - it most likely not needed as the exhaust is already tuned to the V6 engine by Solo, but it's an option if required. (It's not recommended to make any adjustment during the first 1000 miles break in period. During this time carbon builds up inside ...

This Solo Performance Mach-X Dual Exhaust System with Polished Tips; Side Exit makes your Ford F-150 rise above the rest of the trucks. It features a T304 stainless steel Mach-X muffler assembly that delivers a deep American muscle car sound that slowly tones down when cruising on a highway. Improves Your Truck's Horsepower and Torque. ...

SOLO's CYCLONE Exhaust system might be the best system yet! The new CYCLONE muffler boasts acceleration properties unlike any other muffler on the market. This system, although not quite AS LOUD as their Street Race setup, is very noticeably louder than their Mach series, with a deeper tone than the Street Race..and of course, NO DRONE! ...

I had checked out the Solo exhaust options as well. Thanks for the input. The price difference is definitely appealing, as well as the exhaust tips option. ...
