

Su kam solar inverter

Products. Inverters, batteries, UPS, solar power, batteries. Su-Kam Power Systems Ltd. is an Indian power provider. [3] The company offers power backup solutions for both domestic and industrial markets, with a focus on environmentally friendly energy ...

Su-Kam's Solar Power Conditioning Unit (PCU) is an integrated system consisting of a solar charge controller, inverter, and a grid charger. It provides the facility to charge the battery bank through either a Solar or Grid/DG set.

Su-Kam's Pure Sine Wave Inverter -- Colossal Series, powered with reliable, regulated and stabilized Pure Sine Wave Output is a complete power generation system that is suitable for all types of commercial establishments and is capable of running everything from lights to Air Conditioners and Lifts to Elevators in a most cost effective manner.

The manufacturing prowess of Su-Kam encompasses a diverse range of products, including cutting-edge solar solutions, uninterruptible power supplies (UPS), batteries, and tailor-made solar offerings, all crafted with a dedicated focus on intelligent and energy

Load startup 300% of rated capacity. Six Stage battery charging technology help in increasing battery life. Pure sine wave output with instant switch over to run all the appliances. System overload alarm in case of excess load and short circuit protection. Compatible charger with all types of battery SMF/Flooded Lead Acid / Tubular)

The low THD and low no load current in system helps optimizing its performance -Kam's Solar High Capacity Inverter 20KVA/360V 3-phase Input/Output DSP Sine Wave Inverter supplies pure power, which is actually purer than even the power supplied by the grid, and is 100% safe to run the most sophisticated, expensive and sensitive office equipment...

It is 100% compatible with solar panels, which means we can convert it to advanced hybrid solar inverter by adding solar panels and automatic solar charge controller to it. In case you plan to buy it as a package, we recommend to buy Sukam solarcon "solar" charge controller which is 100% compatible with falcon plus.

It changed the looks of Indian inverters by introducing to the country the "Plastic Body Inverter" with the product "Chick" being adjudged one of the top innovations of the decade. The spirit of revolution stays strong and today Su-Kam has made a foray into the solar power sector.
