1482 reviews and 373 photos of SUNPOWER "Sunpower Solar installed \$25,000 worth of solar panels and system in my new home and were easy to work with. However, recently I received a recall notice for the Inverter that Sunpower used in my home, made by Sneider Electric. Seems the inverter explodes, blowing the front panel off. Sunpower wants me to turn the inverter off ...

We just bought our first home and have been waiting with excitement for our Solar connection date. Michael Jarrett from SunPower, came out and walked me through the initial process, navigating the application and all of the incredible ways to monitor my home solar system. We are thrilled to be "going green" and for a memorable experience start to finish.
