

Sunrun log in

Your Sunrun bill is for your home solar service. You pay for the service, not the energy you produce, so your payment will stay the same from month to month. Utility bill. Your utility bill is for energy you buy when you use more than your panels produce. Your usage varies from month to month based on things like changing weather and seasons.

The Sunrun Monitoring portal is a tool that allows you to track your solar system's performance and cost savings. It also provides an option to share this information via social media and other ways. If someone you refer to Sunrun decides to go solar with them, you will receive a referral reward. The portal helps you monitor the progress of any referrals you sent to Sunrun.

By clicking below, I authorize Sunrun to call me and send pre-recorded messages and text messages to me about Sunrun products and services at the telephone number I entered above, using an autodialer, even if I am on a national or state "Do Not Call" list. Message and data rates may apply. Maximum 10 texts per month.
