The Pupkewitz MegaTech residential solar model is geared to provide a complete solar solution for the Namibian residential market. After two years in development, this new, all-inclusive value proposition is almost identical to their current retail solutions, yet is unique in several aspects.

16/11/2023 . ? Exciting news! The power of solar is finally within your reach. We're thrilled to announce that financing for residential solar solutions is now available through our esteemed ...

Introduction to what TSC is and what the offering is to our clients: A key component of Megatech's business is electrification. Renewable Energy is complimentary to this when looking at the larger Southern African landscape as well as the local landscape in Namibia.

In 2003, the name was officially changed to Pupkewitz Megatech (PTY) Ltd. The new Pupkewitz Megatech (Pty) Ltd is a multifaceted platform for business through wholesale, distribution, and retail avenues. With a rich history behind it, Pupkewitz Megatech (Pty) Ltd, established itself on Edison Street where it was firmly positioned for growth.

As a subsidiary of the Pupkewitz Group, Megatech is Namibia's leading electrical solutions partner. We have product specialists who can assist with professional advice and support in all fields of trade. Providing comprehensive electrical solutions to electrical contractors, the public and the clients of our customers.
